MATERIAL DISCLAIMER

The digital images to the right are computer renderings. There can be a slight difference between your finished product and the images here especially in the wood detail since grain varies. We make every effort to match the look of the your digital design, but understanding that reclaimed wood reacts differently to various stains. The artistic rusting of the metal can also have variations giving our trophies true character.

Wood and Stain

Your LeaderBoard cannot guarantee wood and stain colors due to the variances in the wood's natural color, grain, etc. and there is no way to assure the exact color of wood. Sample colors or grain may also vary as the wood comes from various structures, which factors involve weathering, sun or shade, etc.

The photos on our PDF materials and web site, are provided to assist you in making a choice of wood and stain, and the various grades that a given wood is offered.

- The digital images shown are computer renderings. There can be a slight difference between your finished product and the images shown, especially in the wood detail since grain varies. We make every effort to match the look of your digital design, but understanding that all reclaimed wood reacts differently to various stains.
 - The translation and reproduction limitations of photography
 - The limitations of viewing photos on individual monitor with variable color & resolution
- Grain and character variation will be, greater than that shown in the photos.
- The batch of wood from which these photos were taken may vary from your product we supplied. The reasons for this variation between batches includes:
 - Wood is a product of nature, and as such, no two pieces are alike, while the same wood growing in different locales can vary greatly even though it is the exact same species.
